

Curriculum Vitae by

BLAINE LINGARD

UI frontend developer

Who Me?

I'm a UX/UI Designer & Front-end Developer from Cape Town.
15 years of experience facilitating cutting-edge engineering solutions with a wide range of e-commerce application and technology skills.

As a UI Developer I understand the bigger picture; I design the organizational structure behind a website and make certain interactive components of a site can be achieved. Extensive expertise in large system architecture development and administration, as well as network design and configuration.
